

MINUTES OF MEETING ON TUES 5th MAY 2015 AT HALLHILL HLC

Present : Dan Waters, Mark James, Morag Haddow, Paul Milne, Gail Wallace, Wendy Cuthbertson

1. New committee

It was agreed to create some new roles, and the new committee now consists of

- Chair: Dan Waters
- Treasurer: Morag Haddow
- Campaigning: Mark James/Paul Milne
- Rides/Promotion: Wendy Cuthbertson/Gail Wallace
- Membership: Fay Stanton
- Minutes Secretary: will nominate minute taker at each meeting

2. Membership

It was agreed that we should charge a nominal amount for DCG membership to cover our affiliation to CTC (which gives us insurance for organised activities). Morag will look into this, and terms of CTC affiliation.

Agreed that we should define more clearly what people get for membership. Website needs to be updated.

Action: Morag

3. Organised Rides

Morag has put together Summer Ride Programme for 2015. Paul will organise printing and Wendy and Gail will distribute.

Some discussion over whether to organise a few bigger rides each year. Next one will be ride to Goblin Ha' for Civic Week (need to organise publicity). Maybe a ride in the autumn too? Dan might do an off-road ride, maybe to Glentress?

Action: Paul/Wendy/Gail

4. Bike Film Night

Discussed promoting DCG by hosting a film night (perhaps with Dunbar Film Society). Bike-themed film, coupled with discussion of ongoing local cycle campaigns.

Action: Paul/Mark

5. Bikeability

Letter from school sent to P5 parents asking for people wanting to train as Bikeability Assistants. Cycling Group has not been approached for volunteers. Gail to contact Mrs Gillanders

Action: Gail

6. Dr Bike

Mark and Dan will continue to do Dr Bike activities with community groups (recently have helped at Rainbows), and will offer Bike Maintenance training and Cycling Lessons to individuals as requested.

7. Broxburn

New path from Broxburn to Whitesands is complete. Needs publicising. Perhaps a ride to celebrate?
