

*MINUTES OF MEETING ON THURSDAY 16 JANUARY 2014 AT HALLHILL HLC*

**Present :** Dan, Morag, Fay, Janie, Matt **Apologies :** Gail, Mark, Paul, Fi, Darren

**1. *New committee***

Sandra Reid has volunteered to be the new treasurer. Dan would like to step down as chair, but agreed to continue for a few months until a new chair comes forward.

**2. *Organised Rides***

Morag has put together Spring Ride Programme for 2014. Thanks to all volunteers for co-ordinating rides, and to Sustaining Dunbar for printing and distributing the leaflet. This will be on the website and Facebook page soon.

Morag will put together itinerary for John Muir Ride from Helensburgh to Dunbar, 5-8 April.

**3. *Civic Week/ Bike Fest***

Mark had emailed asking if there was any interest in organising a Bike Fest this year. Generally not, but it was agreed that a Biking the Bounds event in Civic Week was a good idea. Also events at the pump track throughout the year (perhaps tying in with Woodland Group events).

**4. *Bikeability***

Mark and Dan will look into new playground markings for Bikeability at Lochend Campus. They may need some test riders...

**5. *DCG Mountain Bike Group***

Dan and Ray are keen to set up a mountain bike sub-group to concentrate on encouraging people to use the pump track and get out and explore the local off-road trails. The sub-group will be part of Dunbar Cycling Group in order to benefit from our insurance

**6. *Broxburn***

Matt reported that on-road signage (including the removal of out-of-date signs) would be installed in Broxburn. Also, the trash screens on the A1 underpass at Brandsmill have been repaired (though not very well!)

**7. *Next meeting***

Wednesday 12<sup>th</sup> February 2014
